Newsletter

February 2011

Here we are again with another remarkably well done edition of the OPC newsletter.

The February meeting will be on Monday the 28th at the usual time and location, 7:00 PM, downtown at the Museum of Science and History, 122 E. second street. Entrance through the second street door.

And this month we're having a presentation on

Matting and Framing

by OPC member

Rita Kent

Be sure to attend and learn more about how to matte and frame your favorite photographs.

Also scheduled (if time allows) there will be a wildlife photo presentation

On Feb. 19, Ken Hurm, Bob & Sandra Slaton, and Bill & Joan Fogle went to Sauerheber Wildlife Management Area near Henderson, KY for another photo op. They had a great time taking photos of the children releasing previously captured and banded ducks during a program conducted by KY Fish and Wildlife Service, and sponsored by Ducks Unlimited. They will be sharing some of the excitement with their images.

Contest Information

The theme for January was “Night shots”

Both 1st and 2nd place went to Bill Fogle.

The first place photo is titled “Little Flock Church by Moonlight.”

The second place photo is titled “Barn by Carlight.”

And an honorable mention went to Rita Kent for her photo titled “Four Freedoms.”

The theme for February is “Something Wild in Nature.”
Examples include (but are not limited to) flying elephants, unicorns, and Sasquatch (big foot).

Bring a photo that you think best illustrates this theme.

Other News

New members!

This month we have 3 new members!

In no particular order new OPC members are

Rick Bang
Willie Powell
and
Larry Neuner

Welcome to the Owensboro Photography Club everyone. Unless stated otherwise, meetings are held on the 4th Monday of each month at the Museum of Science and History at 7:00 PM.

Come to the meeting and introduce yourself. And if you have photos to share, please contact Jerry or Joan and schedule a night to show them! In the meantime, enjoy the work of some of the other very talented photographers in the club at the OPC website located at www.owensborophotoclub.com

And in other news

EyeSee Camera program
by Joan Fogle

Wednesday, Feb 16, was the official kick-off day for the EyeSee Camera Program that Bob Morris has been working on for quite some time. OPC members - Bob

Morris, Chuck Thomas, Stromie Woodrum, Bill and Joan Fogle were present and introduced to 10 young students that have great aspirations of becoming photographers. It was fun for all and rewarding to see the excitement when those free Nikon camera boxes were opened. OPC is a financial contributor to this project and other members have volunteered their time and will be acknowledged as they enter the program. We will keep you posted on the activities as the project progresses. Many thanks to Bob Morris for his dedication and vision for the future of the young people in our community that would not otherwise have such an opportunity.
